Pint Jars

Silly Dilly \$12.50

*The Silly Dilly Pickle Chips are
chocked full of Fresh Dill and are
similar to a Bread & Butter Pickle
because they have a touch of
sweetness from the pure cane sugar
we use in the Apple Cider Vinegar
Brine. A touch of garlic and red
pepper flakes round out the
tanginess and a hint of clove and
turmeric in the background*

Jolly Jalapenos \$12.50

*Sweet Heat with that Fresh and
Fabulous crunch, cooked in our
signature Apple Cider Vinegar brine.
Sliced to perfection.*

En Fuego \$12.50

*Our En Fuego (on Fire) Pickle
Chips enjoy the same brine bath that
our Silly Dilly's get, minus the Dill and
with the addition of Fresh Sliced
Jalapenos and Fresh Sliced
Habanero Peppers!! A sweet heat
that sets the taste buds ablaze!!
Caution!! Highly addictive!!*

Basil and Balsamic Beet \$12.50

*Our Pickled Beets are like no
other!! We cook them slightly but
leave the crunch and then they take a
Basil & Balsamic Brine bath with a
little bit of Pure Cane Sugar, Garlic,
Cinnamon, Clove and Red Pepper
Flakes.*

Brussels Chow Chow \$12.50

*This ain't your Granny's chow chow
folks!! We hand shred our Brussels
Sprouts and cook them in our
signature brine (apple cider vinegar,
sugar, salt, garlic, crushed red
pepper, clove, turmeric) for a minute
with the addition of sweet bell
peppers, onions and mustard seeds!!*
