Brevard Brewing Dunkel 12oz \$11.49
6-pack

(pronounced Doon-kel): Brevard Brewing Company's darkest beer--finally, a welcome alternative to the mandatory Porter found in nearly every craft brewery line-up in the country. Dunkel literally means "dark" in German, but don't let the dark color fool you. This is still a German lager beer. While chocolate malt and an abundance of German Munich malts provide a solid malt backbone, the medium body and lager fermentation make this beer surprisingly drinkable. If a Porter and an Oktoberfest had a baby, this would be it. Tastes like a dark beer, but drinks like a Pilsner. 5.4% ABV

Brevard Brewing Lager 6 12oz \$11.49
6-pack

Brevard Brewing Company's lightest offering, yet so delicious it proves it's OK for beer geeks to drink "lawnmower beer". It is packed with more flavor than you will find in the average American canned beer, but light enough to drink all summer day long. Brevard Premium Lager is perfect for any occasion, whether watching a ball game or chatting with friends. 4.9% ABV

Bee & Bramble Blueberry \$16.99

Great with barbecued meat or seared tuna.
