Doc Brown's BBQ

ABOUT DOC BROWN'S BBQ

Doc Brown's BBQ is a new standard in WNC BBQ. A food truck offshoot, this casual barbecue joint serves smoked meats, Southern sides & desserts. 100% Wood Smoked!

ABOUT THE DELIVERY MENU

Doc's Brown's is a tiny operation, and we are so lucky to have them as part of our Kickback Roster! Their delivery menu is super-limited right now, but we do hope to expand on it as the folks at Doc's gauge for themselves how delivery is working out for them. Their biggest concern is that they'll run out of stuff, and y'all will be disappointed. :) Please try their sandwiches, slaws, and sides for now, and check back often to see if we've added more!
